## GDPR form

In accordance with GDPR 2018 you must be informed what Data will be requested from you, how that Data will be processed or shared and what your rights are in relation to that Data.

I will only request information that I need in order to provide services effectively and safely.

I will retain your consultation Data for a period of 25 years as per Government requirements.

Your information will not be used for marketing purposes.

The Data held about you will include name, age, address, email, your child's name and date of birth, medical history, consultation notes, and may include a baby's weight chart, care plan and a report to your GP. Information may be shared with your health professionals (see above).

You have the right to request access to your personal Data. You also have the right to correction of that Data and deletion (where appropriate). If you are not happy with how your Data is managed, you have a right to complain.

I reserve the right to contact you in the future regarding other services.
